Love of Languages

Speaking
Speak with increasing confidence, fluency and spontaneity. Develop accurate pronunciation and intonation so that others understand.

Intercultural Understanding
Develop an appreciation of a range of cultures

Listening
Listen attentively to spoken language. Show understanding by responding

Writing
Write phrases from memory, and adapt these to create new sentences, to express ideas clearly.

Grammar and Phonics
Understand key features and patterns of the language & know how to apply these. Understand how these differ from or are similar to English.

Reading
Read carefully and show understanding of words, phrases and simple writing.
