

Wrap around care.

We would like to offer wrap around care starting in January 2020 if there is enough interest in addition to our breakfast club.

I would be interested in:

After school care from 3.30pm to 6.00 pm. ()

Available term time only. I would be interested in the following days:

Monday ()

Tuesday ()

Wednesday ()

Thursday ()

Friday ()

Children would be able to take part in any after school clubs and would only be charged for the time after the club has finished.

The cost would initially be £2 per hour in line with breakfast (this price is subject to change). This price will include a snack and a drink.
